BOARD OF DIRECTORS

Professional Profiles – as of June 2011

Ian Edward joined the TKBGC in March 2004 as Executive Director after more than 15 years working with other clubs and youth programs in the GTA.

Ian's passion for helping youth goes beyond paid employment; he has been a youth leadership volunteer and a Kiwanian since completing the Recreation Leadership program at Centennial College in 1990 and the Voluntary Sector Management program at York University in 1992.

Ian feels the TKBGC provided the best career placement for him, combining his knowledge and involvement with Kiwanis, with his vast experience in helping clubs grow and prosper.

Ian brings a strong historical perspective to the Board and can provide ample references to other Boys and Girls Clubs operating in Ontario and Canada.

Ian is committed to helping the Board generate revenue for the Club through grant writing, meaningful programming, and successful fundraising. To help achieve this, Ian can call upon his network of current and past Club supporters and donors, club volunteers, parks and rec contacts, government administrators, and other clubs' staff.
