Are you interested in sitting on our Parent Advisory Committee? Our Parent Advisory Committee is comprised of parent representatives of our members. They meet with our Program Staff on a monthly basis during the school year. Members of this committee will work together to:

- identify common needs and goals among the parents of members registered in the programs of the Toronto Kiwanis Boys and Girls Clubs and facilitate strategies to increase the efficiency and effectiveness of our programs and services
- provide feedback and insight from the parent's perspective on Club policies and initiatives to ensure that the needs of our member are included as decisions are made and to discuss existing and emerging issues
- serve as an advisory, not a decision-making body, that makes recommendations, encourages brainstorming and provides opportunities for parent involvement.
